AP Fachübersetzungen  
Ludwig-Feuerbach-Str. 36  
90489 Nürnberg, Germany

München, 11.12.2019

## Letter of recommendation

Dear Sir or Madam:

AP Fachübersetzungen has been working for us as a translation service provider in various language combinations and specialist areas (in particular law and medicine) for many years. Some of the employees have been commissioned with simultaneous interpreting in the automotive sector, among others.

We can very warmly recommend the services of AP Fachübersetzungen due to their excellent availability and the very good quality of their work.

Yours sincerely,

Elisabeth Feulner
